Computer Science graduate with hands-on experience in Unity game development, VR simulation projects, and front-end web development.

Experienced in building 2D/3D applications, interactive systems, and responsive websites.

Seeking an entry-level role to contribute technical skills, improve product quality, and grow within a professional development team.

Skills

Languages: Java, C#, Python

Web Development: HTML, CSS, Javascript, Bootstrap

UI/UX & Design Tools: Figma, Wireframing, Prototyping

Visual Design: Adobe Photoshop, Adobe Illustrator

Game Development: Unity 2D, 3D Modelling

Experience

Nokia Network & Solutions

Dec 2025 - Mar 2026

VR Development intern

Worked as part of a team to develop a VR-based training model simulating key operational workflows for internal learning.

Education

Bachelor of Computer Science & Engineering

2022 - 2026

Panimalar Engineering College, Chennai

Higher Secondary (XII) Computer Science & Maths

Muthiah Alagappa Matric Higher Secondary School, Karaikudi

Percentage-63.66%

Secondary (X)

Muthiah Alagappa Matric Higher Secondary School, Karaikudi

Percentage-60.8%

Projects

Portfolio

Created a responsive portfolio website using HTML, CSS, and Bootstrap, leveraging Bootstrap's grid system to ensure a smooth, mobile-friendly layout across all devices

Virtual Home Preview

Developed a Virtual home preview app that enables users to interact with 3D Models of home, allowing them to visualize and customize their dream homes remotely.

Secured Online Electronic Voting System Using Blockchain Technology

Built a blockchain-based online voting system to enhance election security, ensure data integrity, and provide transparent vote management.

2D Endless Runner Game

Developed Papfly, a 2D endless runner game built with Unity, where players control a paper rocket navigating through obstacles, inspired by Flappy Bird's gameplay mechanics.

7 Wonders Of the World Using- Blender

Modeled the 7 Wonders of the World in 3D using Blender, developing intricate details and realistic textures.
